Marta Bonsaglio

Department of Decision Sciences   marta.bonsaglio@phd.unibocconi.it
Bocconi University
Via Röntgen, 1
20136 Milan, Italy

Education

2017- Present
Ph.D. in Statistics
Università Commerciale Luigi Bocconi (Milan, Italy)
Advisors: Prof.ssa Sandra Fortini and Prof. Lorenzo Trippa

2013 - 2016
Master Degree in Mathematics (Laurea magistrale)
Università degli studi di Milano-Bicocca (Milan, Italy)
Main field: Applied Mathematics
Thesis title: High order Finite Element Methods for polygonal meshes
Advisor: Prof. Alessandro Russo
Grade: 110/110 cum laude

2010 - 2013
Bachelor Degree in Mathematics (Laurea Triennale)
Università degli studi di Milano-Bicocca (Milan, Italy)
Thesis title: An application of the Virtual Element Methods
Advisor: Prof. Alessandro Russo
Grade: 110/110 cum laude

Awards and Scholarships

2017- Present
PhD Fellowship, Università Commerciale Luigi Bocconi

2010 - 2011
"Progetto Lauree Scientifiche" Scholarship, Università degli studi di Milano-Bicocca

Schools

July 2018
Summer School in Advanced Statistics and Probability: Graphical models (Como, Italy)

Skills   R, LaTex, Microsoft Office (very good)
Java, Matlab (good)
SAS (basic)

Teaching   2016-2017
Prof. of Mathematics and Physics, Liceo Scientifico M. Curie (Meda, Italy)
